# YTN SEOUL TOWER

## Information

# Seoul's No.1 Tourist Attraction

## YTN SEOUL TOWER

YTN Seoul Tower is the most popular tourist attraction in Seoul. The observation of the tower offers spectacular views of downtown Seoul. The harmony of the beautiful Namsan Mountain and the tower with its unique structure is attractive. It is also attracting attention as a filming location for various movies, dramas, entertainment shows, and music videos.

T3 ~ T7

The height of YTN SEOUL TOWER is 479.7m.

The height of YTN SEOUL TOWER is the sum of Namsan's elevation (243m) and the steel tower's height (236.7m).
